

## Yes! I want to join the Friends of Two Rivers!

FOTR is a group of citizens from the Bonner/Milltown area and surrounding communities with the goal of helping the state and federal agencies hear the voice of community members who support the cleanup and restoration of the Milltown Superfund site.

**Cleanup of the Milltown Reservoir begins soon. Friends of 2 Rivers effectively worked to help bring the process to this point. Please join us. Together our voices are effective!**

Members receive our periodic newsletter and other notices concerning events at the Milltown Reservoir Superfund site. Join by becoming a Local Member (voting) or Supporting Member (non-voting).

*No fee is required for membership.*

*We welcome contributions to help with the cost of mailings.*
